# Building Up the Town of Reno.

Has determined to off r two hundred fine building tots for sale, some of which are situated in the central part of town, and are very desirable for business purposes The proposed site for homes is immediately South of the Truckee river, and its elevation affords a magnificent view of the mountains in the distance, and the vailey and town near at hand A more perfect place for an elegant bonne could not be selected. The soil is good, and an abundant supply of water will be so d with each lot. The health of the locality ca not be questioned, as its ele vation assures a perfect sy-tem of sewerage. Gas mains will be l id through the streets free of cost, for the benefit of those desiring to use them. It is also intended by the owners to by out a park on the South side of the Truckee river, covering 20 acres, in which the public may enjoy the pleasure of driving, fishing and bouting.

The educational advantages of Keno are well known, and be business prospects of the town are assured beyond a doubt. Purchasers of these lots may feel confident that the best of terms will be offered and they will be fairly dealt with. For further particulars, address
